## High-Tech Cleaning Solutions

Dust & Shine offers state-of-the-art commercial and residential carpet cleaning services. Our carpet cleaning services in are eco-friendly, hypoallergenic, and affordable. Our services are EPA (Environmental Protection Agency) registered and CDC (Centers for Disease Control) approved!

## Environmentally Friendly Carpet Cleaning By Dust & Shine

Conventional cleaning service providers use products containing harsh chemicals that can cause damage to the environment as well as people if exposure is prolonged. At Dust & Shine, we only use eco-friendly organic cleaners. The cleaning solutions we use do not give off toxic fumes that are bad for both your home or office and your body. You can be assured of green services when you work with us.
